Title 1 of 10 in the Anger Series

ANGER THE DESTROYER

Anger in one or both parents in a Christian home is probably the #1 cause of problems with children and teens in those homes. Anger also destroys the oneness between a husband and wife. Anger is not caused by an outside source, but from what is happening on the inside—usually from pride or the tension of unresolved guilt. Here are seven key thoughts on how to stop *Anger the Destroyer*.

Running time: 59 min.

Title 2 of 10 in the Anger Series

PRIDE THE HIDDEN SIN

The prominent sin of the well-known sinners of the Bible was pride. Anytime you deal with someone who has a problem with anger you are also dealing with a problem with pride. It is difficult to help someone who has a problem with pride because Pride Hides! Here are 4 Things that Pride Does and 5 Steps to Conquer Pride. Also learn how to find Hidden Pride in your own life.

Running time: 51 min.

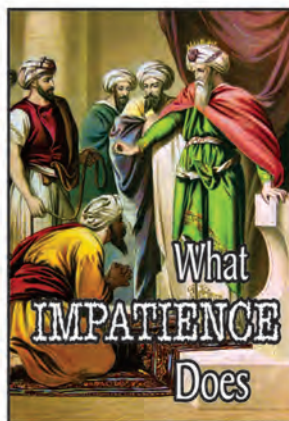

Title 3 of 10 in the Anger Series

FREEDOM FROM THE SPIRIT OF ANGER

People with a spirit of anger seldom realize they have it. Rebellion in youth rarely goes away until parents deal, not just with their anger, but with their *spirit* of anger. A father or preacher who is blind to his own angry spirit may easily infect his followers with that same spirit. *Freedom from the Spirit of Anger* explains why ALL of man's anger is wrong.

Running time: 59 min.

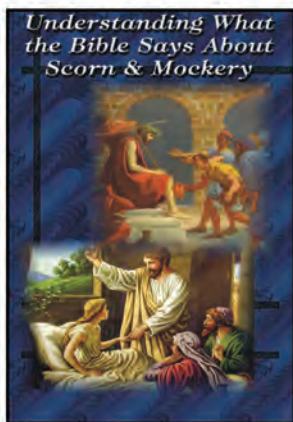

Title 4 of 10 in the Anger Series

WHAT IMPATIENCE DOES

Like the servant in Matthew 18, all of us want God to be patient with us, but we don't always want to extend patience to others. Impatience and anger are sister sins, with one leading quickly to the other. Impatience demonstrates a lack of true love while cutting you off from the blessings of patience. Here are seven key steps to develop patience.

Running time: 63 min.

Title 5 of 10 in the Anger Series

UNDERSTANDING SCORN & MOCKERY

Mockery, like anger, is a powerful yet negative emotional force. It was used in the Bible mostly by a proud person who was trying to hinder the work or truth of God. Mockery was an attempt to get people to follow their emotions. Jesus continually faced mockery. Before raising a girl from the dead, "they laughed Him to scorn." As a result He, "put them all out"—causing them to miss the greatest opportunity of their lives!

Running time: 66 min.

Title 6 of 10 in the Anger Series

HOW TO HELP A MAN WITH HIS ANGER

A wife asked, "What can I do to help my husband with his anger?" A son asked, "How should I respond when my Dad gets angry?" This expounds on: understanding things you don't understand; dealing with your own anger; deflecting anger; not delivering an angry man from the consequences of his anger; using emotional word pictures; seeking for patience; and using spiritual weapons to defeat carnal weapons.

Running time: 54 min.

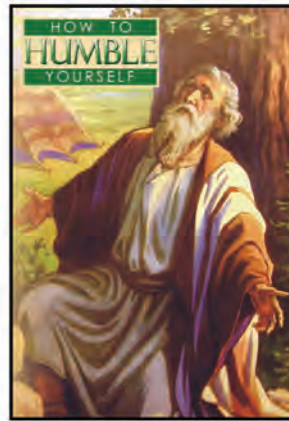

THE HIGH COST OF ANGER

Proverbs 19:19 tells how people who live with an angry person are often "delivering" that person. Anger costs: 1.) The time of others to deal with *your* problem; 2.) The loss of your testimony—destroyed by the foolish things you do and the mean things you do; 3.) The loss of relationships with the people you love, which is your greatest earthly treasure.

Running time: 53 min.

Title 7 of 10 in the Anger Series

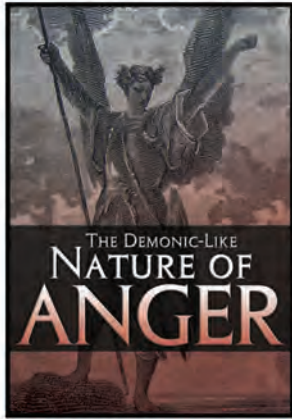

HOW TO HUMBLE YOURSELF

Humility is the foundation for all other character qualities. Christians need to actively seek to humble themselves so God doesn't have to do it for them. To humble yourself: Pass praise to God and others; Serve others instead of trying to impress them; Confess and ask forgiveness for your faults; Bless those that curse you; Welcome correction and criticism; Remember your own mortality; Make humility a lifelong quest.

Running time: 66 min.

Title 8 of 10 in the Anger Series

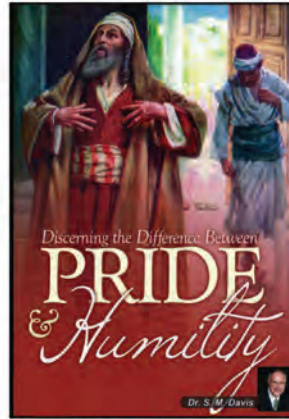

THE DEMONIC-LIKE NATURE OF ANGER

Since anger is an area where Satan gets control, then we can understand anger better by comparing it to another area where Satan has control. A key area in the New Testament where Satan was seen to have control was in relation to unclean spirits. Here are four downward steps into anger bondage and ten comparisons between anger and unclean spirits.

Running time: 58 min.

Title 9 of 10 in the Anger Series

DISCERNING THE DIFFERENCE BETWEEN PRIDE & HUMILITY

Some of the most terrible consequences are given for the sin of pride, and some of the greatest blessings are promised for humility. Pride is deceitful and shows up in all sorts of unexpected ways. There is a stark contrast between pride and humility. Humble people crave godly counsel and correction; cancel contention by yielding rights; and quickly confess wrong.

WHAT BITTERNESS DOES (AND HOW TO CONQUER IT)

Have you ever been deeply hurt by someone who never made things right with you?

Bitterness is a possibility for anyone. It is highly contagious and destructive. It stops spiritual growth and begins spiritual decline.

It robs a Christian of his fruitfulness. It also blinds the bitter person to its presence and power.

Running time: 62 min.

UNDERSTANDING HOW HOMES RELATE TO EACH OTHER AND THE CHURCH

One of the key reasons for conflicts among different families as well as between families and churches is that people do not understand the jurisdictional lines between the "houses" God created.

Just like the government is not to cross over the line into homes, so homes or churches should not cross over the line into other homes or churches.

REPAIRING REALLY ROTTEN RELATIONSHIPS

Rotten relationships do not always have to remain that way! Certainly there are times when all you can do is make sure your heart is right with the other person because their heart is never going to be right with you. But that is not always the case.

The most strained relationship of your life may have the potential of developing into the most special relationship of your life if you would be willing to work on it.

BREAKING FAMILY CURSES

In different areas of life, people are blessed and do well because of Godly family influences. In other areas they struggle because of evil family influences.

Chains of bitterness, dishonesty, selfishness, pride, divorce, immorality, laziness, or rebellion pass down from grandfather to father to son to grandson, etc.

But loyalty, faithfulness, kindness, honesty, joy, character, etc. may also pass down!

NOTHING SHALL OFFEND THEM

A key verse every Christian should engraft into his life is Psalm 119:165: "Great peace have they which love thy law, and nothing shall offend them."

The Bible and human life are full of stories of people who became offended or took up someone else's offense. True to the meaning of the word "offense," which is "stumbling block," those who become offended often stumble and fall or cause others to do so.

Running time: 65 min.

WHEN FORGIVENESS WON'T WORK

Most Christians do not realize that forgiveness has two sides. The first side is that of the "forgiver." Christians must forgive fully, freely, and forever. The second side is the side of the one being forgiven. To be offered forgiveness is one thing. To be able to receive the forgiveness offered is something else. Even though forgiveness is offered, FORGIVENESS WON'T WORK unless the one who has done the wrong is truly repentant.

Running time: 57 min.

HOW TO TELL TRUE REPENTANCE

A common response when a person is first confronted with sin is defensiveness and lying. One of the worst things that can happen at that point is for him to find someone who will give him sympathy. Only true repentance provides a foundation upon which a life can be rebuilt after there have been broken dreams, hopes, and lives. Repentance does not stop all of sin's consequences, but it can cut down on the reaping of some of them.

HOW TO REBUILD BROKEN TRUST

No matter what I do, my parents will never trust me again!" "Pastor, I want to forgive my husband, but how can I ever trust him again?" "Isn't trust the foundation of a relationship? How can we let our runaway daughter come back home if we can't trust her?" Trust is like a beautiful vase that has been shattered into a thousand pieces. Learn here how God puts it back together.

DIG ANOTHER WELL

The person who "gives in" rather than demanding his rights is usually thought of as being the weaker person. In reality, the more spiritually mature person will usually be the one who yields his rights. The man who "wins" when his personal rights have been violated is really the "loser." The committed Christian should always ask, "Is this for me and my rights or for God and His rights?" Defend God's rights. Yield yours!

ARE YOU OFFENDED OR UNOFFENDABLE?

When Proverbs 18:14 says that "a wounded spirit who can bear?" it does not mean there is no way to treat the problem. KEY CHARACTER QUALITIES OF A GODLY MAN

Only as a husband and father manifests the key qualities of a Godly man does he create a sense of security for his wife and children. HOW RIGHT PRIORITIES PREVENT OR SOLVE PROBLEMS

"What is a top priority for man—job (ministry) or family?" Many men, including pastors, have lost their families answering this flawed and misleading question. A better question to ask is, "Who is a man's top priority as far as relationships are concerned?" The right answer to this provides a foundation for all ministries given to a man. When not answered Biblically, devastating consequences may come.

STRATEGY FOR VICTORY IN SPIRITUAL WARFARE

January 17, 1781, in Cowpens, SC, there was a battle that turned the course of history. In many ways, it was also an ideal illustration of proper strategy for spiritual warfare. The Christian must know and wisely use his weapons and know the carnal things that aren't to be used as weapons. He must know his enemy. And, of great importance, he must know when to run, when to attack, and when to stand.

The typical male attitude on lust is, "We're surrounded with images that stir up lust with nothing we can do about it. Everyone lusts. Accept and enjoy it; just don't let people know." THE 7-FOLD POWER OF A WIFE'S SUBMISSION

One of the most difficult commands in the Bible for some wives is "submit unto your own husbands as unto the Lord." For many wives this creates "a double fear with terror" concerning what their husbands might do.

On the contrary, the only way a wife has to make her husband a good "head of their home" instead of a bad one is for her to use the incredibly powerful tool of submission.

GOD'S WAY TO DEAL WITH YOUR WRONG EMOTIONS

The example of great men and women of the Bible who experienced victory was that they would not allow their emotions to take precedence over their mind and will. It is also then possible to live life normally instead of like one is on a wild roller coaster ride.

THE LANGUAGE OF THE CHRISTIAN'S CLOTHING

The most important clothing for the Christian is not the clothing of the body; it is the clothing of the soul. The Bible gives at least five types of clothing for the soul. REMEMBER NOW THY CREATOR

Amazingly, the Bible only refers specifically to God as Creator about 5 times, with one of those times being addressed directly to young people.

Youth will especially enjoy, and not soon forget the illustrations of the fact that God wants them to be thinking NOW of the difficulties of old age.

Dr. Davis reverted to a very active “Camp Meeting Style” of preaching that young people really enjoy!

STANDING ALONE

The ultimate test for a Christian young person is not how he acts inside the walls of a church or inside his Christian home. The ultimate test is how he acts when he is around a crowd in the world who would still cry out, “Crucify Him!” if given the opportunity.

This is a powerful challenge to youth to STAND ALONE in proclaiming God's truth and in doing what is right.

We typically don't see authority like God sees it.

Faith is the wisdom to see that God works through the authorities He has placed over our lives and the decision to trust Him to do so.

SINNING AGAINST GREAT LIGHT

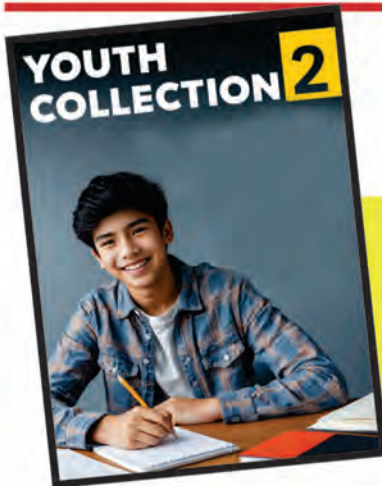

There are many blessings God gives to all of us, but the greatest blessing of all of human life is spiritual light.

God gives some measure of spiritual light to every person who has ever lived.

If they respond to that light, then He gives more light. If they reject that light, they move into darkness.

The privileges of great light are also a great responsibility.

HOW TO FORGIVE THE UNFORGIVABLE

Uses the letters of the word F-O-R-G-I-V-E-N as an acrostic to teach HOW TO FORGIVE:

- 1 - Face the torment if you don't forgive.
- 2 - Open your heart to realize that forgiving is a key reason you are alive.
- 3 - Righteously be willing to suffer for the sins of others like Jesus did.
- 4 - Graciously focus on your offender's ignorance instead of their iniquity.
- 5 - Impress on your mind that Satan is your true enemy . . . ETC

THE PAST**

TRAPPED IN THE PAST

A proper perspective of the past is very important. A proper view of the past works of God will keep you encouraged and challenged.

But for all of us there is the danger of something from the past defeating or destroying our lives in the present.

The four things that tend to trap people in the past are either (1) Grief, (2) Garbage, (3) Guilt or (4) Grudges.

JUSTICE, MERCY, PARDON & CONSEQUENCES

God is a God of great mercy. God's mercy is often accompanied by God's offer of pardon and forgiveness. But God's mercy, pardon and forgiveness do not wipe out all the consequences of individual sins.

The level of a person's repentance will also affect the extent of sin's consequences.

Running time: 49 min.

5 of 6 in the Trials Series 2

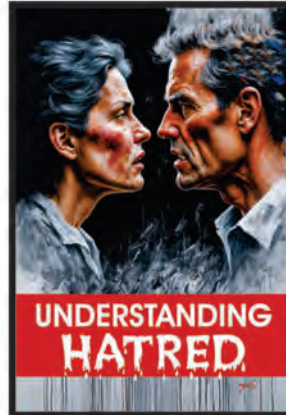

HOW TO DEAL WITH GUILT

Guilt in itself isn't bad. It is a divine implant in the soul to tell us when we're about to do wrong, when we have done wrong, or that we better stop doing wrong.

It is not possible to deal with guilt without dealing with the sin that caused the guilt.

Learn how to deal with true guilt, as well as how to recognize and get freedom from false guilt.

UNDERSTANDING HATRED

People hate others for three primary reasons:

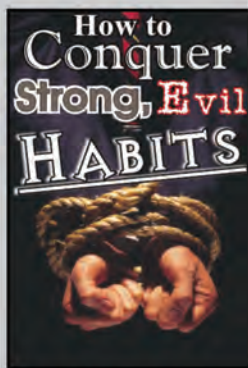

- 1 - They hate the truth the person is presenting.
- 2 - They are jealous of the other person.
- 3 - They hate the other person because they have told lies about them.

Proverbs 26:28 says, "A lying tongue hateth those that are afflicted by it."

DETAILED INSTRUCTIONS TO SERIOUS PARENTS TO HELP WITH REBELLIOUS TEENS

CHANGING THE HEART OF A REBEL

Some parents say this message has helped them understand parenting so as to prevent problems. Some have said they listen to this every few weeks to help them stay "on track" as a parent. Still other parents have found the message to be the "lifeline" to stop a descent into destruction and save the life and future of their rebellious teen.

KNOWING WHEN TO LET GO (HOW TO HELP ADULT REBELS)

Most parents "let go" of a rebellious child when they should not and don't "let go" when they should.

Love must be strong enough to deal with rebellion and also strong enough to let go when unstoppable consequences (that seem to be negative) start to come.

HOW TO GET OR GIVE WISE COUNSEL

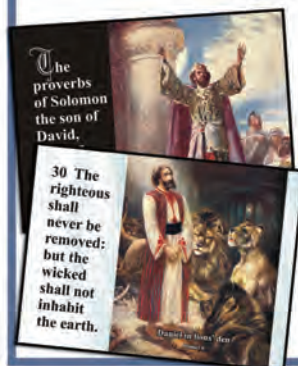

(The one key message God gave Dr. Davis in the year it took to create *Picture Proverbs*)

"Your Proverbs Videos are the best representations of God's Word I have ever seen. Personally I haven't seen anything like them! My husband and I bought them and watch them with our children every morning! It provokes a lot of discussion!"

"Our children virtually BEG to watch *Picture Proverbs*!"
 - N.C. Pastor

"*Picture Proverbs* has been a tremendous help and blessing to our family! Our girls have really grown knowledge of God's Word through these. Also, the pictures that go with each verse are tremendous! Another whole lesson in itself!"

Please **DO NOT** simply watch *Picture Proverbs* once and then put it away.

- Every day watch the chapter that matches the day of the month.
- Pause the video at least once and ask, "Why is that picture with that verse?"
